Dear Parents and Students of the Senior Class of 2024,

Below you will find important information regarding the submission of your senior portraits for the 2**023-2024 Castle View High School yearbook**, as well as a list of preferred photographers serving the Castle Rock community. The yearbook is an all-digital, all-color book with strict deadlines, so correct and timely submission of your senior photo is essential.

ALL PHOTOS MUST ADHERE TO THE FOLLOWING REQUIREMENTS:

- All portraits should be vertical rectangles, 2 inches by 3 inches, at 300 dpi, saved in JPEG format.
- All portraits should be head and shoulder shots. Photos not submitted as headshots will be cropped.
- Portraits featuring any clothing, items, or subjects in violation of school policy or dress code will not be accepted.
- Portraits with props or animals will not be accepted.
- Photographers should also submit portraits digitally using the link listed below.
- Please submit just one photo.
- Please submit using the website link below. Do not email photos. Upon submission, you will get a confirmation email from Jostens that says "Thank you for submitting your photos" -- and this does confirm your submission! We will contact students and parents/guardians via email if a photo has not been submitted, so please do not email for additional confirmation.
- The yearbook staff reserves the right to decline submissions in violation of the established guidelines and/or the CV Media Editorial Policy.
- **No portraits will be accepted after 3 p.m. on Wednesday, October 4, 2023. Please contact us prior to the final date if you have any questions or concerns.**

THE VISION EXPERIENCE

"Now more than ever, your Senior Photos really matter...
We promise to take Senior Photos you are really proud of,
and will love and cherish for a lifetime."

Photography is art - it's a medium for expression that goes beyond what we tell the camera, the lighting, environment, and clothing. When documenting people, a photographer has to find the subtext beyond what appears in the viewfinder. That can only happen when the subject - your daughter, your son - is at ease and is being exactly who she or he is. Our photographers are artists, skilled at drawing exactly that from your child.

Sessions at Vision are immersive, empowering experiences. We partner with our seniors to create environments that are comfortable, yet striking - indicative of their individual tastes and personalities. ***We create photographs unique to each senior, each amazing and bright personality that comes to be photographed.*** We only do so by setting the stage for authentic moments, not forced poses. Don't come to us expecting to be bent askew like a mannequin... come expecting to ***share your story, laugh with us and generally, have a really good time.***
