CURRENT SOPHOMORES & JUNIORS ONLY

**What is Link Crew?** Link Crew is a nationally recognized student-led leadership program which helps freshmen ease into high school. Through the Link Crew program, freshmen are paired with leaders who serve as positive role models emphasizing relationships and connection. Link Crew is built on the belief that students can help students succeed.

**What does a Link Leader do?** Link Crew Leaders help guide freshmen to discover what it takes to be successful during their transition to high school and help facilitate freshmen success. Link Leaders are trained to work with freshmen and will continue to support them throughout their first year of high school. Various events with freshman and their Link leaders throughout the year will also provide social activities to build positive connections.

**Who are Link Leaders?** Link Leaders are juniors and seniors who are good role models for younger students. Potential Leaders are compassionate, committed, reliable, and enthusiastic. Link Leaders have a tremendous influence on new students and gain many valuable leadership skills while having fun in the process! We are looking for a diverse group of caring and dedicated juniors and seniors who represent a wide variety of our student population to serve as mentors to our freshmen.
